

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized within the business as durable and strong machines that suits all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nationwide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company that is presently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply equipment, components and warranty service for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in new construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on location due to the model's high standard of quality and utmost performance level for polishing concrete.
